

Offer Letter For Interns

About us and our process

We are a trusted NGO for underprivileged people. We are working for many causes like the upliftment of children, women, and the divyangjan. It has been reaching out to the unprivileged and underprivileged children by providing them with the means of education and has shown the women folk the way to empowerment through employment.

We also provide legal and medical help to underprivileged people. We celebrate birthday celebrations with underprivileged kids in slums. We are making an ecosystem where we provide food, education, medical/legal help, and skill development to underprivileged kids.
